Roby, you are a  
 real sweet guy.  
 I had been so  
 rowdy once in  
 awhile. Eating lunch  
 with all you guys has  
 been most fun. The party  
 a Sharonis was a black with  
 those ghoul stories & fire crackers  
 the AP of L & the C.I.O. will have to  
 get together many times in the future  
 Good Luck Always, Barbara & Shbach

K nob.  
 we had a hell  
 of a time this year  
 Jim

Roby  
 You breathe  
 the air that  
 I breathe  
 Love & Luck

Roby,  
 you are a guy that  
 I have really looked up to,  
 (because your so tall) (just kidding)  
 No seriously, you are the bestest  
 basketball player I have ever  
 seen. you are the sweetest  
 guy to, remember all the  
 fun we use to have in  
 elementary school and junior  
 high. Continue to be  
 just as you are and  
 you'll have many girl  
 friends and boyfriends  
 the bell going to ring  
 or I would write  
 more. God Bless  
 you Roby,

# AMERICAN FIELD SERVICE.....

## YOUTH BRIDGING THE GAP

Intense interest in the American way of life has been evident throughout the world in recent years. Through the American Field Service youth of many nations have been able to study in the United States and gain an insight into the basis of our democracy.

As these students return to their individual countries, it is our hope that they will be ambassadors for better international relations.

Interested parents and administrators in our community helped organize a branch of the AFS in Chula Vista last year. Hilltop's international affairs club, Erudites, spearheaded a school-wide and city-wide fund drive to sponsor two students in this area. It is now our hope that both of Hilltop's junior candidates will be chosen for the American students' abroad program this coming year.

The American Field Service is indeed performing a worthwhile program by presenting youth with the challenge to fill the gap—the gap which has become so wide between the nations of the world.

It is to the workers and supporters of the American Field Service, that we dedicate the 1961 IDYLL.

Carmelo Lipari, Hilltop's AFS student from Italy, entertains some of the students at "La Danza Romana," first dance of the year.

Here from Chile, Maria Valenzuela has hurdled the language barrier at Chula Vista High, including reading U.S. magazines!

# OUR HORIZONS . . . .

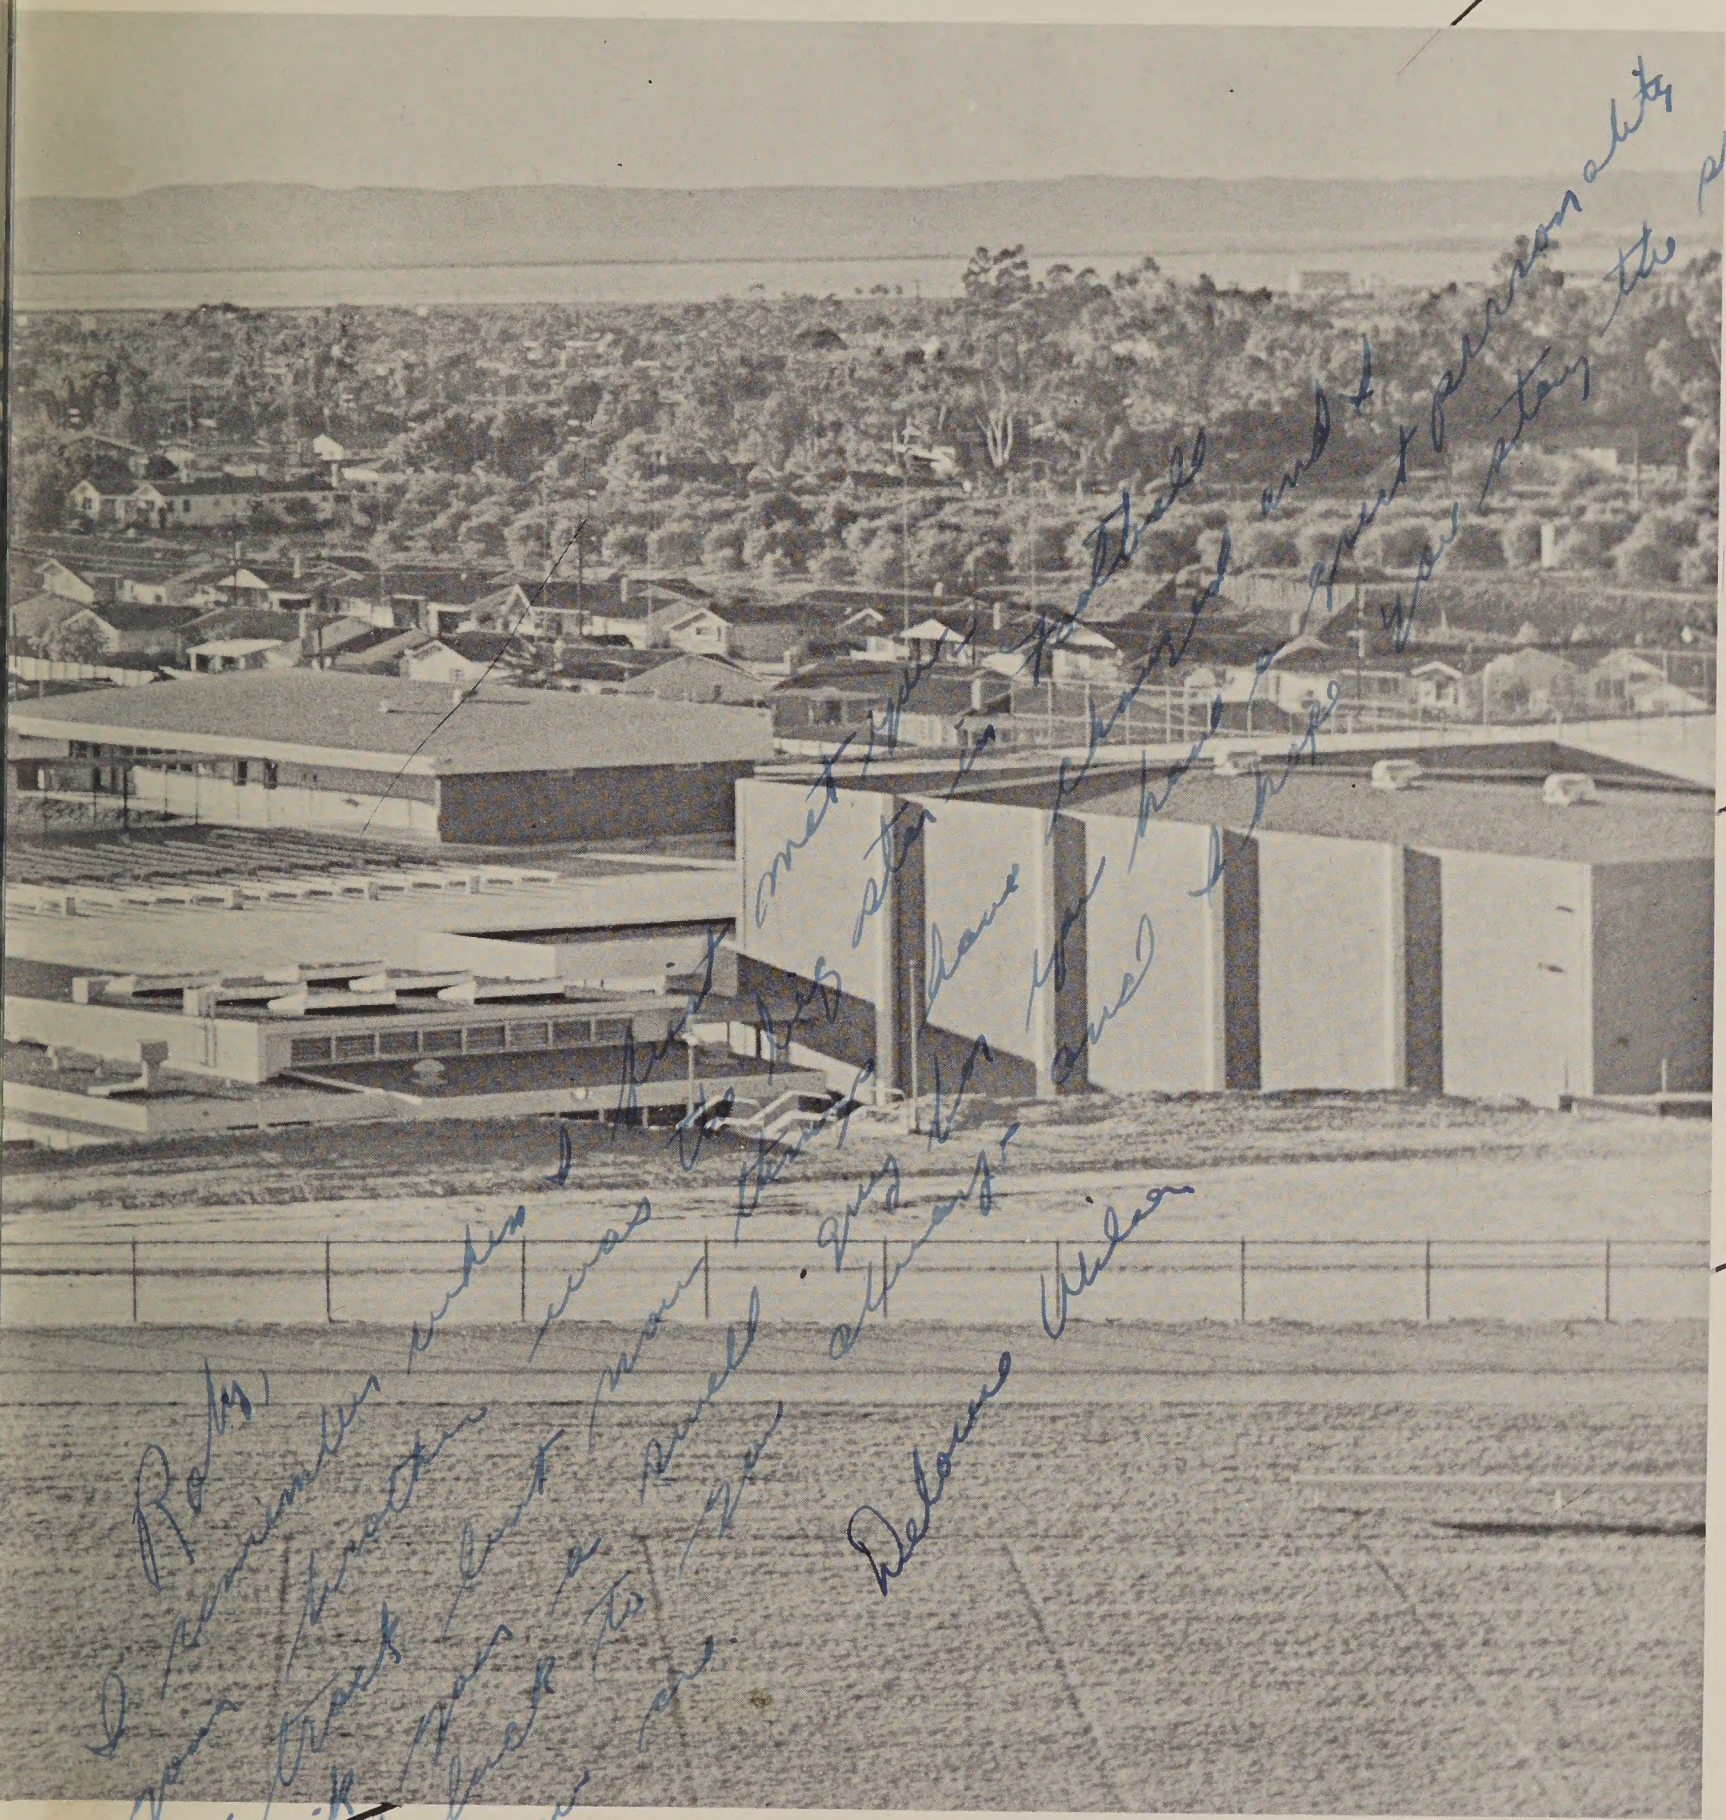

Have you ever thought of the wide expanse which extends to every side of us when we walk the corridors or play on the football field?

If you haven't, or if you have, we hope that you will be again reminded of the wonderful view we have from our hilltop as these following pages attempt to recount the year's activities.

To us, the scenes caught as one's eye scans the HORIZON may be linked to scenes of campus life. NORTH, EAST, SOUTH, WEST—a different facet of our South Bay is exemplified.

Because our HORIZONS affect us and our habits to such an extent we have chosen this as the theme for the 1961 IDYLL.

Rob,  
I remember when I met you  
& think you were a  
good guy. I hope you  
are still a good guy.

Delaine Wilson

met you in the  
office and I  
thought you were  
a great personality  
and I hope  
you stay the  
sweet

# ADMINISTRA

Without our experienced administrative staff our school would not have advanced to such an extent this past year. A gaze to the SOUTH reveals the fields under cultivation which might well represent our student body at the first of each school year. Under the direction of the administration, faculty and student leaders our school progresses through another successful year and we are again approached with new HORIZONS.

**PRINCIPAL—MR. FRED N. MAHONEY**

### **PRINCIPAL'S MESSAGE**

This year has been characterized by continued growth and development of the foundations and organizations that make our school a way of life for you the students.

We are very much aware of the sincere interest you have shown toward academic improvement and your desire to seize every opportunity for scholastic achievement. We are proud of your achievements in the many areas of co-curricular activities which add so much to your development, growth, and education. Hilltop High School has quickly gained a reputation for attainment and leadership in many areas of endeavor.

To you of the class of 1961, we wish you the best of everything as you join our alumni. You may graduate knowing that you have given much of yourselves and your talents to your school. We welcome you back next year to the campus on the hill.

To the Juniors and Sophomores, we want you to know that you, also, have already given much evidence of fine spirit, cooperative attitude, and a desire to make the most of your talents. We charge you with the responsibility of continuing in the Lancer way of all out achievement and endeavor. You can afford to do no less.

## GIRLS' VICE PRINCIPAL

**Mrs.  
Dorothy  
Burns**

Classed as one of the most active women on campus Mrs. Burns has worked diligently to make this year a successful one.

As counselor of the girls of Hilltop she has given understanding and friendly advice to the many problems that have confronted her. Her continuous suggestions as advisor of Girls' League have helped make many events a memorable success.

Aside from working with the girls, Mrs. Burns is co-advisor of C.S.F.; un-officially, "Regent of Doughnut Sales" and also may be called "Editor" of the daily bulletin.

*Good Luck

## BOYS' VICE PRINCIPAL

**Mr. Robert Geyer**

Responsible for many important jobs around Hilltop's campus is our Boys' Vice-Principal Mr. Robert Geyer.

Under his supervision, the eligibility of athletes and uniform groups is screened. Another duty that he performs is the scheduling of the various inter-scholastic sports events and the supervision of these. In addition, Mr. Geyer's presence is felt at all activity planning.

Whenever he finds time from his busy schedule, he manages the counseling of the few boys who have problems.

# DISTRICT ADMINISTRATION

## JOSEPH RINDONE Superintendent

This year has found our Superintendent, Mr. Rindone, busy as usual, solving school problems pertaining to the continuous influx of population into Southern California.

A new junior high, a new high school, and a proposed junior college are the largest tasks our superintendent has faced.

Despite the pressing problems of school administration, Mr. Rindone is in attendance at a large majority of the functions sponsored by the various schools.

## SWEETWATER DISTRICT BOARD OF TRUSTEES

Under the direction of President John W. Gardner Jr., our Board of Trustees has spent many hours performing a dedicated job working with the problems of our ever expanding district.

Construction of new schools continues to be a challenge.

The assignment of keeping our Lancer campus tidy and attractive was one of many for these men. Left to right they are Mr. Strickland, Mr. Garnett, Mr. Arney, Mr. Robida, Mr. Krall.

# Constitution of the Associated Student Body of Hilltop High School

## Preamble

We, the students of Hilltop High School, in order to stimulate and develop a healthy student government, to encourage and maintain participation in school activities, to promote personal initiative in school projects, to foster a spirit of co-operation between the faculty and student body, and to recommend ways and means by which our school may be improved, do ordain and establish this constitution for the Associated Student Body of Hilltop High School.

## Article I Name and Source of Power

### Section 1 Name

The name of this organization shall be Associated Student Body of Hilltop High School.

### Section 2 Source of Power

All student powers set forth in this constitution are delegated by the Principal and may be revoked at any time, as he is responsible to the state and county officials for the welfare of the school and all persons with whom it is concerned.

## Article II Membership

### Section 1 Student Members

All students regularly enrolled in Hilltop High School shall be members of the Associated Student Body.

### Section 2 Active Members

Active membership shall be open to those students who have purchased an ASB activity card, the price of which shall be determined by the Senate. Duplicate cards shall cost one dollar.

### Section 3 Honorary Members

Honorary membership shall be given to members of the faculty and any persons so designated by the Senate. The status shall be that of non-voting members.

## Article III Officers

### Section 1 Elected Officers

The elected officers of the ASB shall be President, Vice President, Secretary, and Senators.

#### QUALIFICATIONS:

The President shall be a member of the Senior Class. He shall have and maintain at least three (3) "A" or "B" grades in Scholarship and have no grades less than "C" in Citizenship or Scholarship. He shall be a paid member of the ASB.

The Vice President shall be a member of the Senior or Junior Class. He shall have the same grade qualifications as the President, and shall be a paid member of the ASB.

The Secretary shall be a member of the Senior or Junior Class. He shall have and maintain at least two (2) "A" or "B" grades in Scholarship and have no grades less than "C" in Citizenship or Scholarship. He shall be a paid member of the ASB, and shall have had one year of typing.

The Senators shall have the same grade qualifications as the Secretary and shall be members of their respective classes.

#### DUTIES:

The President shall preside over all meetings of the Senate and Student Body. He shall generally represent the students of Hilltop High School. He shall be an ex officio member of all ASB committees, and see that the student government is in proper working order at all times.

The Vice President shall attend all meetings of the Senate and Student Body. He will represent the President in case of absence, and serve as Parliamentarian for all Senate meetings. He shall act as liaison between President and the Board of Regents.

The Secretary shall take accurate minutes of all meetings of the Senate. He will be responsible for all correspondence of the ASB.

The Senators shall be active representatives of their respective classes. They shall know the general attitude of their classes and report it to the Senate. They shall attend all ASB meetings.

### Section 2 Appointed Officers

The appointed officers of the ASB shall be the Regents and their Assistants. They shall be appointed by the Senate, upon petition.

#### QUALIFICATIONS:

Regents shall have the same qualifications as the ASB Secretary, with the exception of typing.

#### DUTIES:

The Regent of Student Activities is responsible for the planning, arranging, and supervision of all ASB social events, assemblies, and publicity outside the school. He is responsible for the organization of an ASB calendar, and the collection of historical records, and all other ASB activities not officially delegated to other Regents.

### Section 5 Power to Veto

The President has the power of veto over any bill passed by the Senate. The veto may be over-ridden by a two-thirds vote by the Senate.

### Section 6 Bills

Bills brought before the Senate shall be passed upon the affirmative vote of two-thirds of the Senate. They must be approved by the President before going into effect.

### Section 7 Parliamentary

The Vice President shall act as parliamentarian.

## Article V Elections

### Section 1 Election Committee

The Regent of Elections shall be the head of the Election Committee. He shall choose the committee members, and they shall be responsible for the ballots and election returns.

### Section 2 ASB Sponsored Elections

ASB sponsored elections shall be held for all ASB officers, Senators, Cheer Leaders, and Home-coming Queen and any other election held by the Senate.

### Section 3 Election Code

A complete election code shall be found in the by-laws.

## Article VI Affiliated Organizations

To become a sanctioned affiliate organization, it must be approved by the Senate and be on file with the ASB advisor, in accordance with the laws set up by the state.

## Article VII

No student shall be a member of more than one organization at the same time.

# STUDENT GOVERNMENT

Alan C.  
Jr.

## **ASB PRESIDENT—GEORGE MROSS**

As the second year of Hilltop commenced, George Mross stepped into the shoes of A.S.B. President and fulfilled his many responsibilities well. As presiding officer of the student senate, George was responsible for many amendments and other improvements. He also represented our school at the varied civic functions held during the year.

'60-61' was the first year for the American Field Service here at Hilltop High and George served as a foster brother and impromptu guide to Carmelo Lipari, our first exchange student.

George has continually represented Hilltop, and helped to confirm our young but true traditions.

Thank you, George, for a job well done!

## ASB VICE PRESIDENT

### JOE COMELLA

This year's ASB Vice President has been active in every phase of school life.

Working with each of the various clubs on campus as head of the Inter-club Council, Joe brought forth our first school carnival. Some of his other responsibilities were to represent the President in case of absence and serve as parliamentarian at the senate meetings.

Joe has proven himself a prominent member of the second graduating class of Hilltop displaying scholastic and athletic ability as well as fine leadership.

At 7:00 o'clock the gavel sounds and the senate meeting is called to order.

## ASB SECRETARY

### SHARON CASE

The position of ASB Secretary was held by Sharon Case, also one of Hilltop's energetic song-leaders.

Continuous leadership was proven as Sharon capably handled all ASB correspondence and took accurate minutes of the senate meetings.

As a holder of the coveted Academic Award and CSF Sealbearer she has been outstanding scholastically. Sharon has performed her duties well in an efficient manner as she has helped promote the high standing of Hilltop High School.

# ASSOCIATED STUDENT

MR. ROSS—ADVISOR

Hilltop's senators, regents and ambassadors served their respective classes and publications well in fulfilling their many responsibilities.

Throughout the year amendments and by-laws were passed including Victory Flag regulations; revised Academic Awards and Assistant Regents. With the continued guidance of Mr. Ross, our extra-curricular program was both expanded and improved.

P.S. I really think you are "great"

Dear Betty,

I hate to write in journals - especially this one because it will be our last! Our senior year was here and gone before we realized it.

You have been such a good friend for two years. It will be hard to say "goodbye". Sometimes school was just unbearable, except for advising. When you were absent its whole day was "ruined".

This summer I hope we will see each other ..... and keep our friendship. My high school days are full of memories of you and your crazy antics. Maybe you

will remember a few moments - how lovely you were when I could be that way!

When I go to college I'll think of you. I'll think of you.

Bye Betty - we'll probably see you later. Bye! I'll be right there "always".

Love always  
Your friend  
Alice

Our Senior class has a world of opportunity ahead for them. As the door closes on one phase of their life they may look ahead to a new HORIZON. As we look WEST to the Pacific Ocean the day is drawing to a close and the sun will soon be setting. This holds a double meaning. The sun is going down on the high school days at Hill-top. But, at the same time, the sun is rising on a new adventure in life and learning.

Holding membership in the California Scholarship Federation is an achievement. Gaining Life Membership has been the dream of these young men and women since their sophomore year. The time has now come to pay them recognition. They can well be proud of their accomplishments and can look forward to even finer achievements in the future years.

Their records will follow them throughout life and the ability of each of these students will some day be an asset to our growing community.

The responsibility of Class Officers is one that takes time and co-operation. Working together to make this senior year memorable were Dow Rice, President, Tom Lee, Vice President, Barbara Maxwell, Secretary, and Barbara Eshbach, Treasurer. Work never seemed to cease. As they finished one project another was ready to be started. Undoubtedly the biggest job to be performed was the construction of the Senior Lawn. Many hours of work and planning were put forth by the Class Officers to make the Class of '61 known as instrumental in beautifying and making the Senior Lawn a reality.

Organizing and maintaining all committees, making preparations for the Skating Party, collecting senior dues, and encouraging the sale of magazines, all of these major projects were faced with willingness and determination.

To the Class Officers of '60-'61 we would like to express our appreciation and gratitude.

# SENIOR COUNSELOR

## MR. JOHN GREEN

Irene is only one of the many seniors that Mr. Green advises personally as to the best way of preparing for the future.

At last the senior year has arrived. New students have enrolled, others have departed. Does each of these students have enough credits, the right credits, and citizenship points? Some students have questions concerning college. What college? Is Junior College advisable? How about vocational training and job experience? These problems are the responsibility of the senior counselor.

Guidance of class activities for the past two years has been planned and carried out. There have been triumphs and disappointments, but all in all, Mr. Green feels it has been "most enlightening work."

The class of '61 thanks you, Mr. Green, for your valuable advice, which will be followed and appreciated in the years to come.

# IN MEMORIAM

Each one of us cherishes the happy memories of another passing year. And yet, we cannot always limit our thoughts to only those which have delighted us. The loss of a friend and classmate hangs gray upon the HORIZON as we recall the events of this year.

Judy Turner was indeed a friend to many and akin to us all. For, though some of us did not know her, she was a part of our student body. In this respect we may all feel deeply the meaning expressed in these few words:

"No man is an island, entire of himself; every man is a piece of the continent, a part of the main; . . . any man's death diminishes me, because I am involved in mankind; and therefore never send to know for whom the bell tolls; it tolls for thee."

—John Donne

Everyone must tread the road of life and the CLASS OF '61 is no exception. Just behind them on this road of life is found a very special mile . . . their SENIOR YEAR.

To examine this special mile, let us go back to the close of school last June. . . . With a flash of CLASS RINGS and a mighty SENIOR YELL they took possession of the SENIOR LAWN.

With the first day of school in September, they began an exciting whirl of activities. Wherever they looked they found something new. On one side they met PLAY REPORTS and SHAKESPEARE; on the other CIVICS and CONSTITUTION TESTS.

They met new friends, among them a foreign exchange student from Italy.

The end of September brought the SKATING PARTY and FOOTBALL SEASON.

Spirit was high and the football team gained the spotlight defeating Chula Vista and ending the season with a much improved record.

Football season also brought Hilltop's first HOMECOMING. Queen Barbara Holloway and her court reigned over the halftime festivities and the annual dance.

December brought the exciting CARNIVAL and much awaited BASKETBALL SEASON. An exciting and victorious schedule climaxed with the league championship and SCIF???

The Seniors were honored by the Juniors at the annual JUNIOR-SENIOR PROM. . . . THE SENIOR PROM followed . . . and in quick succession came DITCH DAY, VESPER and the SENIOR BANQUET.

Finally, with mixed emotions, each graduating senior made the long walk to receive a diploma. They are no longer students of Hilltop, but instead, face a fork in the road.

## SENIOR MEMORIES

# ACTIVITIES

An interesting part of our school life centers around extra-curricular activities. Outstanding events of both educational and cultural value have been enjoyed by many of our students.

As our eye scans the HORIZON we glimpse the metropolis of San Diego to the NORTH. With its colleges and universities, theatres, and the multi-purpose Balboa Park, this city affords us a variety of opportunities.

# QUEEN BARBARA

Amidst the cheering of the crowd, many admiring glances were given to Barbara Holloway, who was later in the evening crowned 1960 Homecoming Queen.

Guided on a red velvet carpet to the throne where Kay Cotner, Football Captain's Court, she crowned her.

As Barbara bowed as she received the crown and roses was "Thank You."

Susie Davies, a charming, blue eyed brownette, was escorted by Tom Lee at the Homecoming game where she was crowned Princess.

Susie wore a full length lavender gown accented by flowers on the skirt.

Susie is well known to many Lancers as Varsity Cheerleader.

Jeane Quiros, escorted by Bob Whiteley, was crowned princess at our Homecoming game.

Jeane's exquisite tan was set off by her white nylon net gown with a white satin bodice.

Jeane can also be seen in halftime activities and parades as Captain of the Flag Corps.

## FROM FANTASY

Some of the most exciting times of the year are during the Homecoming festivities. There is much excitement when Hilltop's first alumni return, followed up by an assembly, football game, and the most beautiful of all is the Homecoming Dance, with the Queen's throne being the highlight of the dance. This year was Hilltop's first Homecoming, in which there was much effort put forth by our Regent of Student Activities. At our first Homecoming this year there were many groups performing at half time, which helped make our first homecoming so wonderful.

Alan Campbell, first A.S.B. President of Hilltop, presides over the Homecoming Assembly.

One of Hilltop's cheerleaders from the class of '60, Kay Cotner, performs at Hilltop Homecoming Assembly.

Barbara's happiness is shown as A.S.B. President George Mross hands her the traditional red roses.

Announcing of Barbara Holloway as queen is shown as her two beautiful princesses look on.

# TO REALITY

As Barbara rode by, the crowd grew still, eyes setting on the beauty of our newly elected Homecoming Queen.

As Hilltop's lovely princesses, Susie Davies and Jeane Quiros, went by, there were many cheers from the crowd.

The expressions on Jeane and Susie's faces show the appreciation for their lovely gifts presented to them by their escorts.

Escorting Queen Barbara at our Homecoming Dance was Tom Badillo, while Susie's escort was Steve Simmons and Jeane's, Bob Proctor.

One of the many activities put on by the Girls' League this year was the Girls' League formal. This year's theme was "Winter Wonderland."

The Girls' League officers found here are busily decorating for their annual formal.

Every girl who attends Hilltop High School is a member of Girls' League. However, for the body to work more efficiently a governing board, composed of five representatives and four officers, is elected by each class and all the girls respectively. This organization strives to promote a more friendly campus and a stronger school spirit. Girls' League sponsors an annual formal, family banquet and other activities for the school. It also works to help the community by participating in various service projects.

DOW RICE  
President

The California Scholarship Federation was set up years ago to honor those persons who excel scholastically. It was formed to give those people some sort of recognition, other than being called "eggheads." People hoping to be admitted have to receive the required number of academic points. The process is semester by semester so as to give everyone a chance to belong.

Along with the California Scholarship Federation are the Sealbearers or Life-Members. This is the highest honor a Senior can receive. It means he has been a member of CSF for at least four semesters, one of which is in the Senior year.

After a challenging speech by Doctor Rust, Mrs. Burns prepares to give Sealbearers and Scholastic Award winners their awards.

## MARCHING BAND

Hilltop High School was very proud of its superior marching band. It consisted of 84 pieces and was led by Drum Majorette Ruth Dale and Director William Padelford. The band won outstanding awards this year at the Fiesta de la Luna Parade, Arcadia Band Review, All Western Band Review at Long Beach, and the Maytime Band Review. Excellence and ingenuity were shown through the halftimes presented by this precision marching group. The flashy green, black, and white of the Lancer Marching Band promoted spirit and pep for the entire school.

## DANCE BAND

The "Starlighters" was formed in the Spring semester as a training group to provide experience for students who may some day wish to pursue contemporary music as a career. Their leader was Dick Phillips.

## PEP BAND

With their school sweaters and derby hats, the members of this enthusiastic group performed at Pep rallies and home basketball games. This was a voluntary group consisting of 15 members, with Senior Gerry Kirk as leader. They added color and flavor to all events in which they participated.

# AN MARCHING BAND

## MAJORETTES

Taking first places in parades was our Majorettes' specialty. They have copped top honors in every parade they have entered. The girls, Nancy Bergevin, Barbara Maxwell, and Dyanne Schrock, were led by Captain Nancy Harper. The group has spent as many as 25 hours a week practicing for such events as the All Western Band Review, Arcadia, and the Maytime Band Review.

Their showmanship could also be seen at assemblies, basketball, and football half-times.

One of the many halftime routines was the "Yellow Polka Dot Bikini."

# LANCERETTES

After winning first place in the Fiesta de la Luna Parade, the Lancerettes participated in the halftimes of the football and basketball games. The corps also placed very highly in the Arcadia Parade and added very much to the overall appearance of marching groups representing Hilltop in the Autumn Band Review.

There were 54 girls in the group this year. They were under the direction of Miss Beverly Peterson and were led by Captain Jane Hanson. This selected group of girls spent long hours of work perfecting their routines.

The Lancerettes had a very successful year ending with the Maytime Band Review.

CHOIR

This year's choir, composed of 70 members directed by Mr. Joseph Wagner, participated in various programs for the community and service clubs. These programs included Christmas and Spring Concerts held here at school. They also traveled to Chula Vista High School for the district workshop and the Music and Art Festivals.

In May they traveled to Pomona College to participate in one of the many S.C.V.A. Festivals.

This year's officers were

Vice-President: Ann Braungardt  
Secretary-Treasurer: Sandra Cummins

**VOCAL ENSEMBLE**—Under the direction of Mr. Wagner, the Vocal Ensemble strove for accuracy in pitch, blend, and balance. Composed of eighteen voices, this select group performed for many organizations and clubs. Highlights of the year included singing for the Art Institutes in Balboa Park, entertaining the patients in Mercy Hospital during Christmas vacation, the festivals in Long Beach and L.A. and all performances with the Lancer Choir.

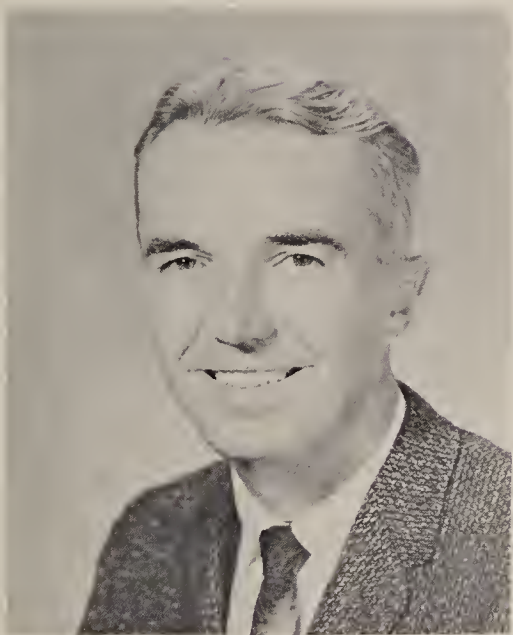

# ORCHESTRA

Although small in size, the Lancer Orchestra presented many fine musical programs this year. They first appeared with the choir at Christmas to present portions of Handel's "Messiah." Appearing at the District String Clinic and the solo and ensemble festival at El Cajon, this group proved that they were one of the finest chamber orchestras in the area. Two honor concerts, plus performing at Senior Vespers rounded out a very busy and successful year.

It is always the desire of an annual staff to produce a book that will please the students. Many problems arise, however, that limit the ability to use every good idea.

This year has been no exception. Balancing our budget was, essentially, the main problem which affected the content of this year's IDYLL.

Color usage was expanded from the previous year, running a four color spread instead of three. With the change in cover color came another surprise for the students: the school name on the spine of the book.

Our publisher presented us with a challenge at the first of the year: colored end sheets at reduced price in exchange for an earlier deadline. The staff worked diligently to meet these deadline dates so that they could present the IDYLL to the students with this added feature.

A vital part of every school is the school newspaper. The Hilltop Lance covered many aspects of school life.

During the summer several staff members attended workshops at the University of Southern California and Brigham Young University in Utah.

The name "Lance" was chosen last year. The practice of using distinctive green paper was continued the first semester. The second semester saw the use of a new nameplate and six page issues.

One of the popular features was the "Dear Harvey" column. This column not only afforded the students sound advice, but added a touch of humor which met with good response.

The Lance and Pennon, perhaps Hilltop High School's most beneficial service organization, was prevalent at all of the school sponsored functions and most of the other activities on campus.

With the idea in mind that the task at hand is large and the final recognition is small, the undaunted service club members carried on with their appointed chores.

Serving the Student Body may not be the most difficult job in the world, but certainly it is the most time consuming and thankless. The Student Body should be somewhat more conscious of these service-minded people.

This year the Cadet Corps did many things. The one activity for which it was noted at school was guarding at our numerous football and basketball games. However, this was just one of the many activities the cadets participated in this year.

The Military Leadership School at Camp Cuyamaca, which is a three day training period consisting of lectures and practical demonstrations, was one of the most interesting and most valuable activities for the cadets.

The biggest and most important affair of the year was the annual Drill Competition. At this time the cadets from all schools had a Cadet Corps training program in Southern California to compete in drill.

This year the Cadet Corps program has been beneficial to the cadets, and a credit to Hilltop High School.

#### ART CLUB

Did you see those pictures the Art Club did at the carnival? This was the question that went around the campus this year.

This year the Art Club was active with projects, field trips and drawing sessions. Also they have something new, Mr. Clark, their advisor.

#### ERUDITES

The Erudites played a very important role this past year, as they sponsored our Italian Exchange Student, Carmelo Lipari.

An International Banquet, presented jointly by the AFS Student Organization from another area school, was held on February 23, 1961. The proceeds were contributed to the support of the exchange student in each respective school.

Plans for a trip to Patton Mental Hospital and the sale of AFS songs concluded the year's activities.

#### JUNIOR RED CROSS

The Junior Red Cross has been very active this year carrying out numerous projects, such as the Enrollment Drive in which more than \$125 was collected. For Christmas a "Presents for Patton" drive was sponsored and twenty-five girls volunteered to wrap gifts for war orphans at the San Diego Naval Station. These and many more activities may be summed up in one word, which is the purpose and reason of Junior Red Cross . . . SERVICE.

#### SCIENCE CLUB

This year the advisors of the Science Club have been Mr. Lisle and Mr. Love, who have given much of their time.

The activities of the club this year have consisted of films, guest speakers, special projects, field trips to La Jolla, General Atomics and San Diego State College.

#### INTER-CLUB COUNCIL

Hilltop has been first among firsts, only to be demonstrated through the work of the Inter-Club Council. This organization, composed of all club presidents, has been responsible for a great portion of the success of another fine year at Hilltop. The council sponsored the "Carnival," gave aid to the completion of the senior lawn, and supported many school activities.

#### NATIONAL FORENSIC LEAGUE

The purpose of the National Forensic League is to promote debate, oratory, and public speaking by encouraging a spirit of fellowship and leadership. It is an honorary society which represents speaking achievements on the basis of points.

The Hilltop chapter has three main achievements of the high honors and awards in speaking tournaments. Secondly, a feeling of fellowship among the speakers. Thirdly, the sponsorship of both the Hilltop Invitational Tournament and the Sophomore Speech Contest.

The greatest achievement is the devotion of many hours to practicing and speaking while still maintaining superior scholastic honors.

#### QUILL AND SCROLL

Quill and Scroll is an honorary journalism society available only to juniors and seniors. This year fifteen Hilltop students were granted memberships.

The highlight of the year was the publishing of two literary magazines which were distributed to the junior and senior highs in this district.

Hilltop also hosted the annual Quill and Scroll Banquet which was held in our school cafeteria.

#### FUTURE NURSES

Hilltop's FNC, as an affiliated branch of a nation-wide program, is striving to widen the vistas of medicine to prospective nurses, through actual visits to hospitals and health institutions. This is varied with lectures and conferences conducted by armed forces and civilian nurses and doctors presenting all aspects of the field of health.

One of the popular club activities is working as Junior Nurses' Aides in the Chula Vista Hospital, for 40 hours of practical experience.

#### FUTURE TEACHERS

This year the many activities have included field trips to elementary and secondary schools, lectures by local and state educators, reports in specialized areas, state conferences, films and various functions of the professional educator.

The social calendar has included joint club meetings, picnics, induction ceremonies and a swimming party. The club is under the leadership of Mr. Fetter.

#### KEY CLUB

The members of the Key Club are the boys you see on Friday cleaning the Senior Lawn and lunch area.

The Key Club has done many things this year under the direction of Mr. Green. Mistletoe anyone? Mistletoe was sold besides taking a very active part in the school carnival and helping with the "Toys for Tots" drive.

Some of the work done on the construction of the Senior Lawn was done by the members of the Key Club.

#### Y-TEENS

This year's sophomore Y-Teens provided a variety of activities for members and friends. Included in these was a beatnik party and at Christmas time they chose caroling. The Y-Teens hope to provide for a needy family in the spring.

#### FRENCH CLUB

The French Club this year has had two main highlights which have been a Christmas party and Mardi Gras Banquet.

Mrs. Major is the French Club's advisor and interpreter. One of the many activities the French Club has done so well this year, is a foreign correspondence program.

#### SPANISH CLUB

The main objective of the Spanish Club is to enrich members' background with a knowledge of the language and culture of our neighbors to the South. The club has had many fine guest speakers to help achieve this goal. A needy-family drive at Christmas and a social outing helped round out the program.

#### LATIN CLUB

The Roman Banquet is the most important activity for the Latin Club. Choosing the King and Queen, printing the Latin newspaper, inviting the guests, and "preparing the slaves," keeps the twenty members busy from September to April. Other than serving their masters at the banquet, the slaves provide themselves as "willing" horses in the annual chariot races. All this helps to fulfill the club's purpose to make Latin come alive by means of outside participation.

Seen here are these Senior boys who are entertaining their audience at the School Carnival.

Getting Hilltop off to a second fine year was the concern of the Inter-Club Council. This School Carnival was staged to arouse the students' interest in school activities. The carnival was enjoyed by many and it is hoped that it will be made a tradition at Hilltop High School. The proceeds went to the club sponsors.

The Latin Club gave rides to many of the youngsters.

Discouraging, isn't it? The rain put a damper on the evening's activities.

Lenny is taking aim at his favorite teacher.

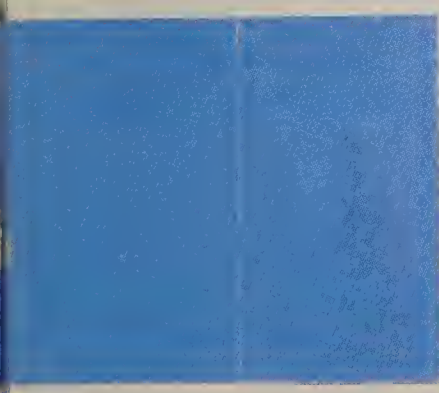

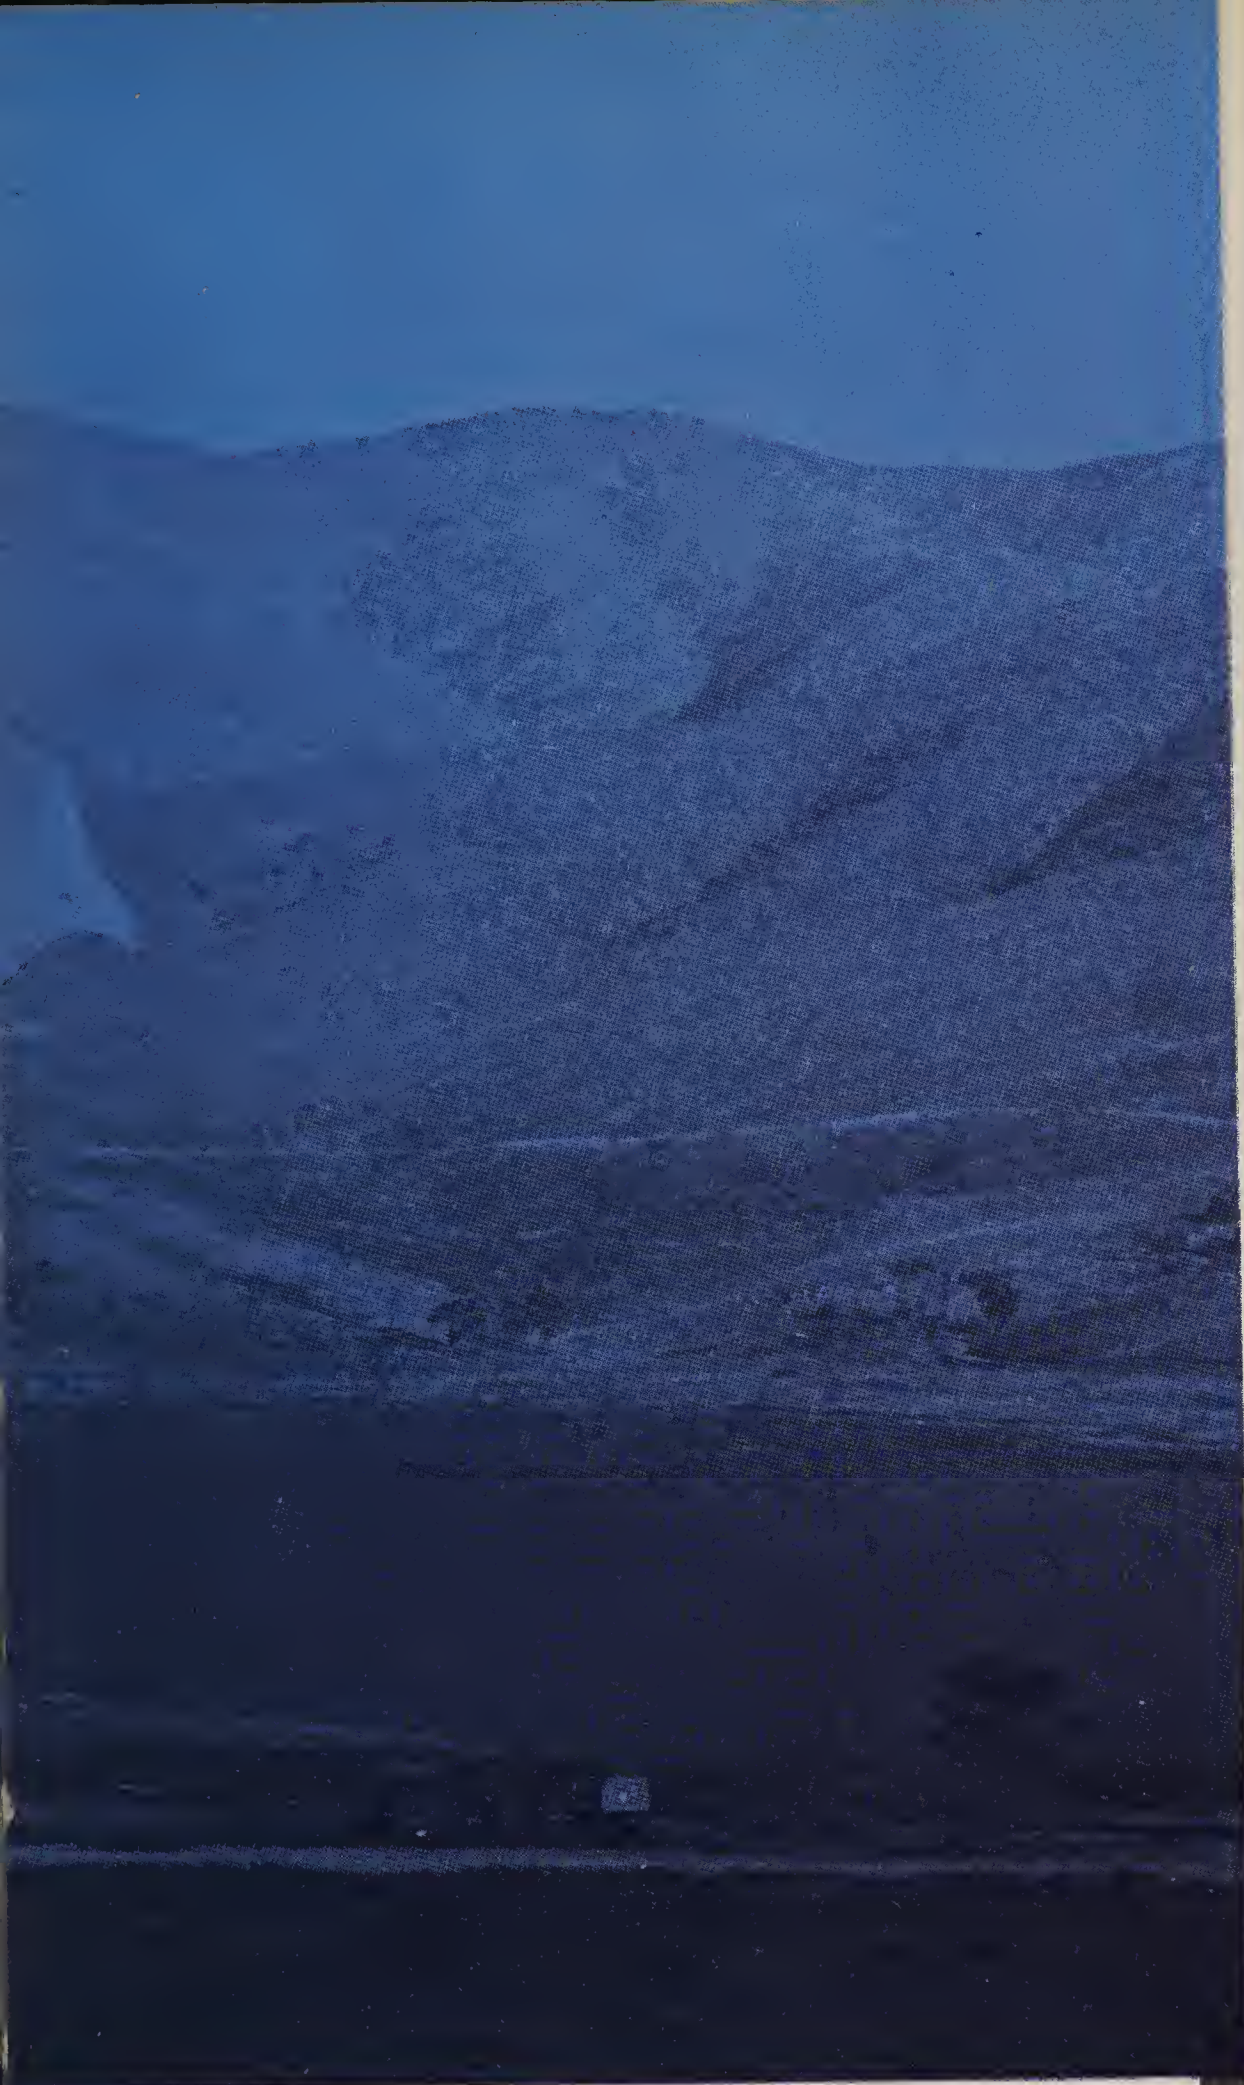

Being on a hilltop signifies strength in itself for we are in a vantage point strategically. To the EAST there is a vast HORIZON of might in the foothills and mountains. The power displayed this past year by our athletic departments is significant of the traditional Lancer spirit.

Our Victory Flag has flown proudly through the passing seasons to denote the strength of Hilltop. Team members and coaches have displayed a magnificent show of group cooperation. Our teams on the field have been supported well by loyal spectators in the stands. Thus, Hilltop has surged forward with a grand show of might as a second year school.

With twelve returning lettermen, we were strong contenders for the championship. Football season last year, the students of Hilltop were looking forward to it.

The San Dieguito Football stands were filled to their capacity with many Hilltop students standing. But all who came found it worthwhile as Hilltop brought home their first FOOTBALL VICTORY. The following day, Hilltop saw the VICTORY FLAG flown for the first time.

After the San Dieguito game, Hilltop went into Metro League play against the powerful Mt. Miguel Matadors. One of our best defensive efforts was shown that night at that game. Hilltop brought home League victory number one.

One of the best games played was against our crosstown rival, Chula Vista. The boys, overall, put forth their best effort to bring Hilltop a strong 26-13 win. The Hilltop Lancers happily sent back the "Boot" to the Chula Vista Spartans.

We had the honor of putting three boys on the All Metro Squad. They were Tom Badillo, Steve Simmons, and Vic Sanguinetti. Also Hilltop put three boys on the All Metro Honorable Mention Team. These boys were Joe Comella, Gary Neal, and Gary Stone. These boys put forth hard efforts to give Hilltop more honors.

Hilltop went through the season with its ups and downs. Some nights they were hot, others they weren't. But the Hilltop Lancer Squad put forth many hard efforts to bring Hilltop a season record of four wins and four losses.

# LANCERS CLAIM FIRST VICTORY

Denny Woods is tackled on a quarterback sneak.

Hilltop's first victory came as the Lancers turned back the San Dieguito Mustangs in a 13-12 thriller.

A 38 yard pass from Denny Woods to Bob Proctor scored Hilltop's first touchdown.

Fullback Tom Badillo picked up a loose snap from center and plunged one yard for the winning touchdown with about three minutes left in the game.

Up goes the victory cape!

Vic and Wayne are very inspired over Hilltop's first win!

Badillo is almost stopped at the line of scrimmage but goes on for a nice gain.

# HILLTOP NETS LEAGUE WINS

Simmons displays the tackling ability of the defense as he downs a Matador.

Though strongly favored, the Matadors were defeated on their field's dedication night. The high strung Lancers brought forth a wonderful duel with an all out team effort. Dick Blakley picked up a fumble and scored the touchdown with John Rankin making the conversion, as the Lancers went on to win 9-6.

Maio runs for a first down after catching a Neal pass.

Proctor outruns one of El Cajon's defenders.

With one of the most successful offense efforts put forth by our mighty Lancer squad, Hilltop came from behind with a triumphant 36-26 victory over the El Cajon Braves.

The Braves started scoring early, but it was all Hilltop in the latter half when the Lancers started putting forth drives of 51, 57, and 80 yards for touchdowns.

Although hemmed in on all sides, Maxwell makes a yardage gain.

# BACK GOES THE BOOT

The "Civil War" of the Metro League got under way as the Spartans scored on their first play from scrimmage. This didn't phase the Lancers as Tom Badillo scored late in the first period. Bob Proctor scored the second touchdown with Badillo scoring the last two as the Lancers came through with a 26-13 victory minus one "Old Shoe."

Simmons is stopped after snaring a pass.

Spartans catch up with Maxwell after punt return.

Chew swings wide for a long gain.

Wayne Conklin makes one of the most unusual catches of the season.

Badillo plunges for short gain after handoff from Neal.

# OFFENSIVE ABILITY SHOWN

With a successful goal line defense in the fog during the closing minutes of the game, Helix edged the Lancers in a 14-13 thriller.

Chew gained 67 yards in 11 attempts with Neal passing for a total of 200 yards.

Higgs and Maxwell scored the touchdowns with Proctor scoring the conversion as the Lancers went down fighting.

Rankin shows fine form and spring in receiving Neal's pass.

Proctor kicks for another goal point.

Chew slips out of the grasp of a Granite Hills defender.

Simmons takes another pass over the shoulder for a gain.

Heavily favored as a "push over" for the Lancers, Granite Hills, winless up to this point, surprised everyone with a 13-12 victory on their homecoming night. Hilltop came through in the second period as Jim Chew plunged one yard to score.

Gary Neal climaxed a 50 yard drive in the last period when he plunged 2 yards for the last touchdown as Hilltop finished the season with a 4-4 count.

First row, left to right: Jim Eshback, Gary Murray, Dick Saffer, Nick Millican, Dennis Morinaka, Dick Rogers, Bob Doss, Ralph Glasgow, Richard Hathaway, Gary Wattes, Bill Fair, Jim Caldwell, Tim Smith. Second row: John Brown, Victor Araiza, Brian Webber, Joe Stetser, Billy Ayub, Del Porter, Lindy Cassel, Don Van Dorsten, Roger Buchhorn, Emil Zumstein, Gary Wappes, Frank Gomes, Terry Young, Boyd Wilson, Manager, Nick Gulli. Third row: Bob Pewtress, Manager, Richard Adams, George Wagner, Bill Hall, George Newton, Mike O'Day, Merrill Wood, Jim Fischer, Tom Bushfield, Jim Olivas, Keith Skaug, John Newton, Steve Hill, Bill Jensen, Gary Lommasson, John Pierce.

Though the "B" Football season was not so much on the win side, the boys showed the best sportsman-ship they knew. They went into every game with en-thusiasm, with hopes of a victory. They gained much needed experience and skills for the coming year for the Hilltop Varsity Football Team.

# BASKETBALL

**METRO CHAMPS!!** With a second place league win behind us and four of five returning lettermen ready for action again this year, Hilltop began the season with high hopes of a first place finish.

Early in the season, the Lancers took third place in the Chino Tournament, with Roby Hewitt and Chuck Schneider placing on the All Star Team. Later we were eliminated in the second round of the Kiwanis Tournament.

Hilltop began league play against El Capitan and it became evident that the Lancers were a team to watch closely as they won the game in the last few seconds of play. Win followed win until the loss of the Sweetwater game tied us for first place with Escondido. Again and again the Lancer squad displayed some of the finest playing

techniques available. They had a great knack for coming through at the last minute and winning the game with some spectacular play.

One of the most exciting games of the second round playoffs was against El Cajon. The Braves led thru most of the game and were sure of a victory but the Lancer roundballers tied the game up with seconds left to carry it into overtime and a 66-65 win for Hilltop.

A capacity crowd was on hand to see us stomp our cross town rivals, Chula Vista, 56-47.

Our win over Mt. Miguel clinched the Northern Division Metro Championship for us and a berth in the C.I.F. playoffs. At the time the annual went to press we were in the second round of the playoffs, with hopes of becoming C.I.F. Champs.

# LANCERS START SEASON VICTORIOUS

Maio grabs a rebound and scores two more for the Lancers.

Enthusiasm is shown by Tom Lee's classmates for his winning free throw which clinched Hilltop's victory.

Hewitt exhibits his jump shot.

Two more points for Blakely!

The Lancers displayed an all team effort in bringing home a victory against Granite Hills. The Eagles were never in contention as they wound up on the short end of a 59-31 score.

Gary Neal doesn't let Granite Hills bother him as he gains two more points for the Lancers.

Unguarded, Don Parrish shoots for another basket.

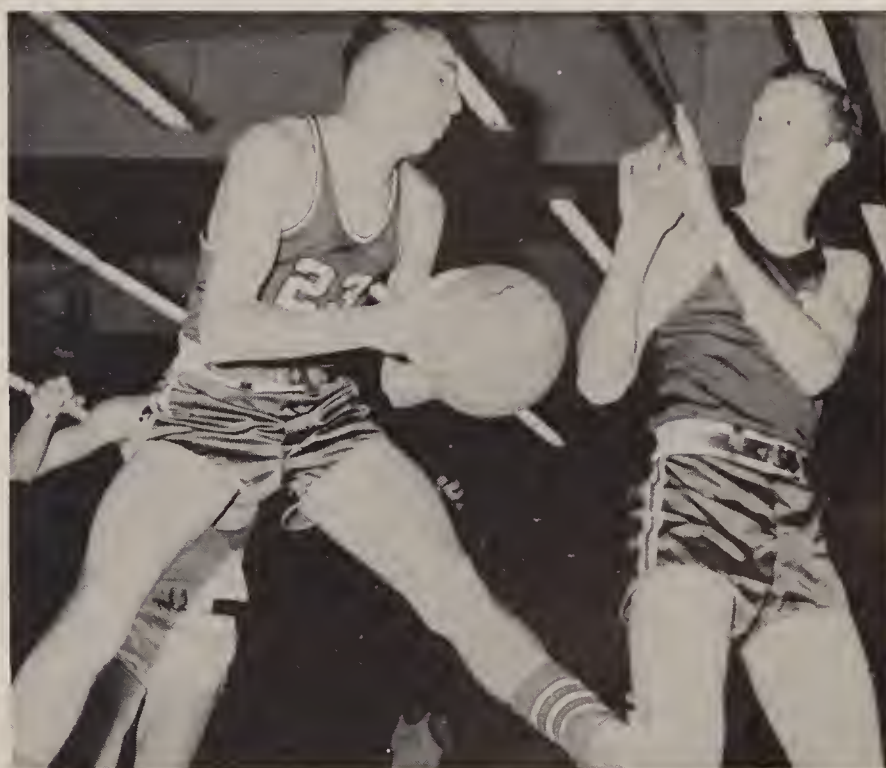

This is typical Hewitt form.

## LANCERS GO METRO

This was one of the strongest defensive games the Lancers played all season as they never permitted Helix to come closer than six points. Hilltop hit 73 per cent of their free shots in winning 56-39.

Chuck Morrow and Charlie Schneider fight to get the ball from an Escondido Cougar.

Don't be frightened, Tom.

Tom Lee dribbles right out from under two Escondido Cougars.

Tied for first place with Escondido at this time, the Lancers were definitely out to win. This proved to be a close game but the Lancers won in the final seconds 46-44, with a long shot made by Tom Lee. This gave Hilltop sole possession of first place in the Northern Section of the Metro League.

# HILLTOP HANDS SPARTANS DEFEAT

Charlie goes for that rebound against a Chula Vista Spartan.

Roby jumps high to send that ball to the Lancers.

An over capacity crowd was on hand at the Chula Vista gym to watch as the Spartans suffered another defeat at the hands of the Lancers. The lead changed hands several times in the opening quarter, but with Hilltop commanding the rebounds they were able to pull away to a strong 56-47 win.

Charlie swings at the right time to get that ball.

Charles shoots with perfect ease.

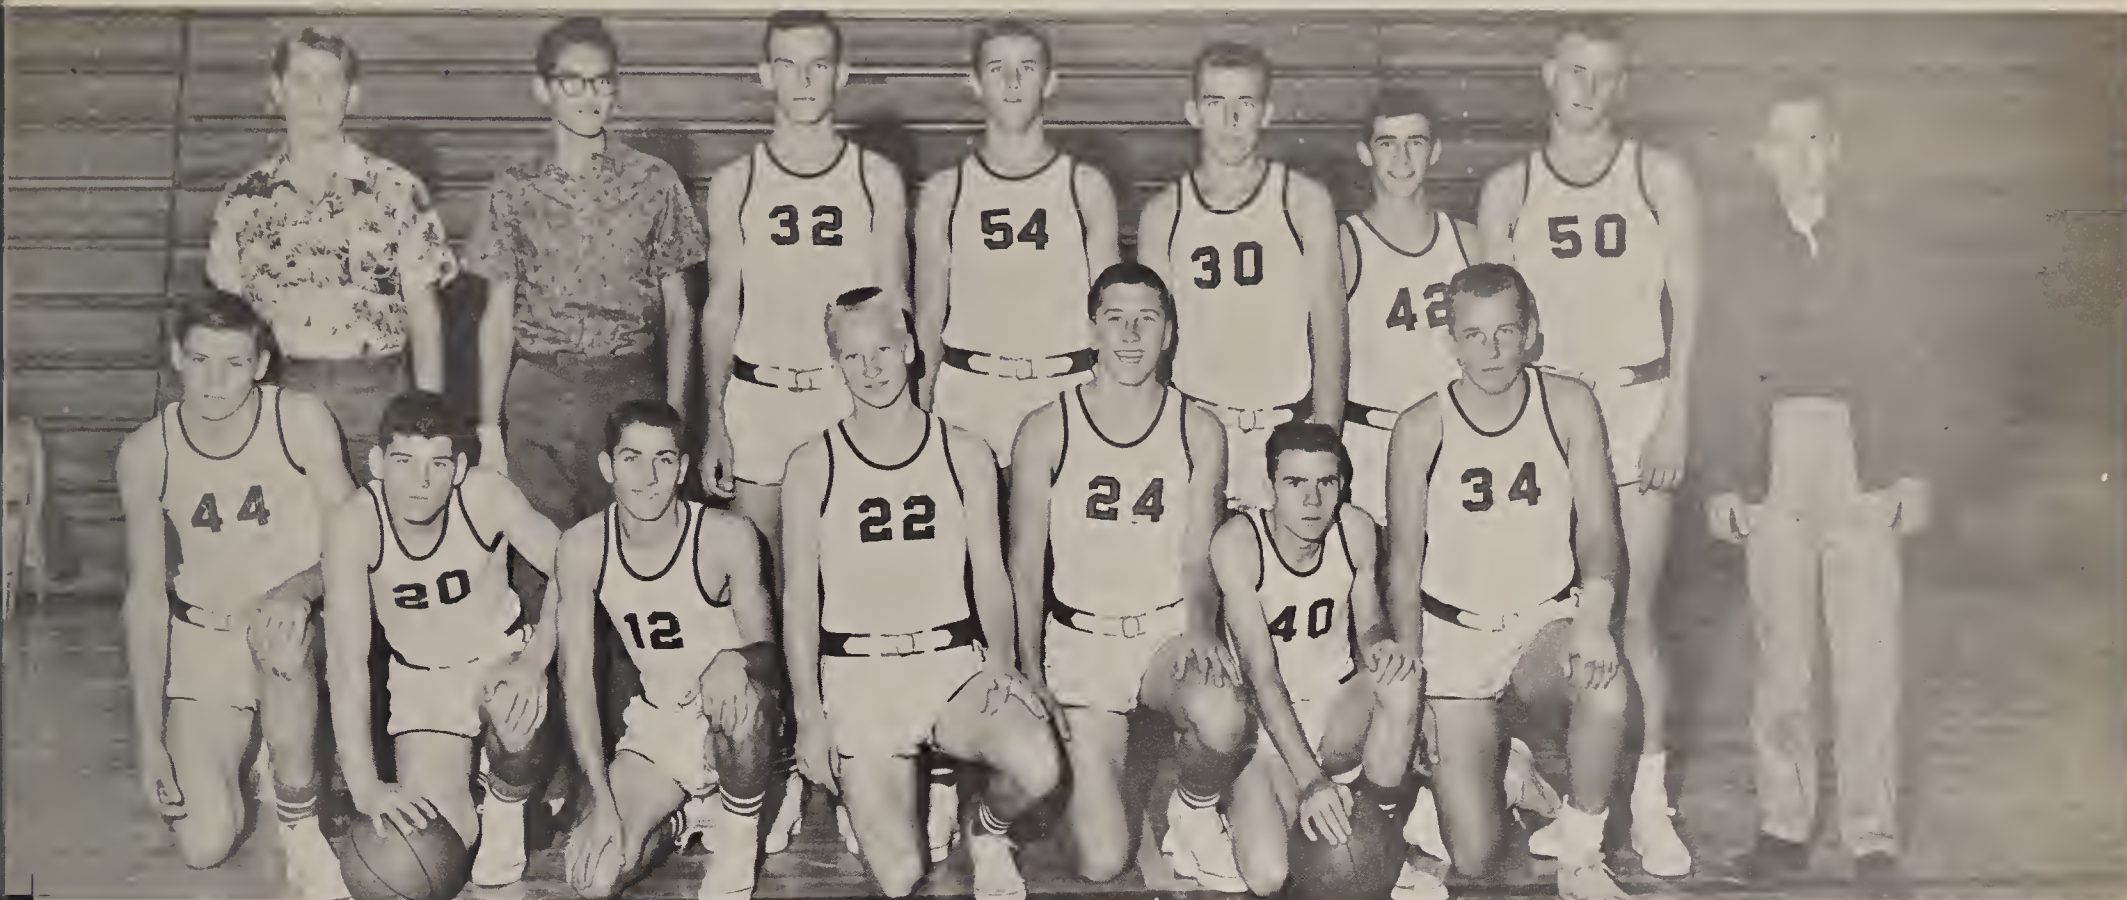

This was a crucial game for Hilltop because it would decide whether we would be Northern Division Metro Champs. The Matadors, leaders of the Southern Division, used a full court press all of the second half, but this didn't stop the Lancers as they went on to bring Hilltop their first Metro League Championship with a 56-52 victory over Mt. Miguel.

Another rebound for Tony.

# JUNIOR VARSITY BASKETBALL

This year's J.V. team, under the direction of Coach Tomlinson, came in second in their division. The boys showed great enthusiasm and ability throughout the season and provided many interesting pre-varsity games for the Lancer fans.

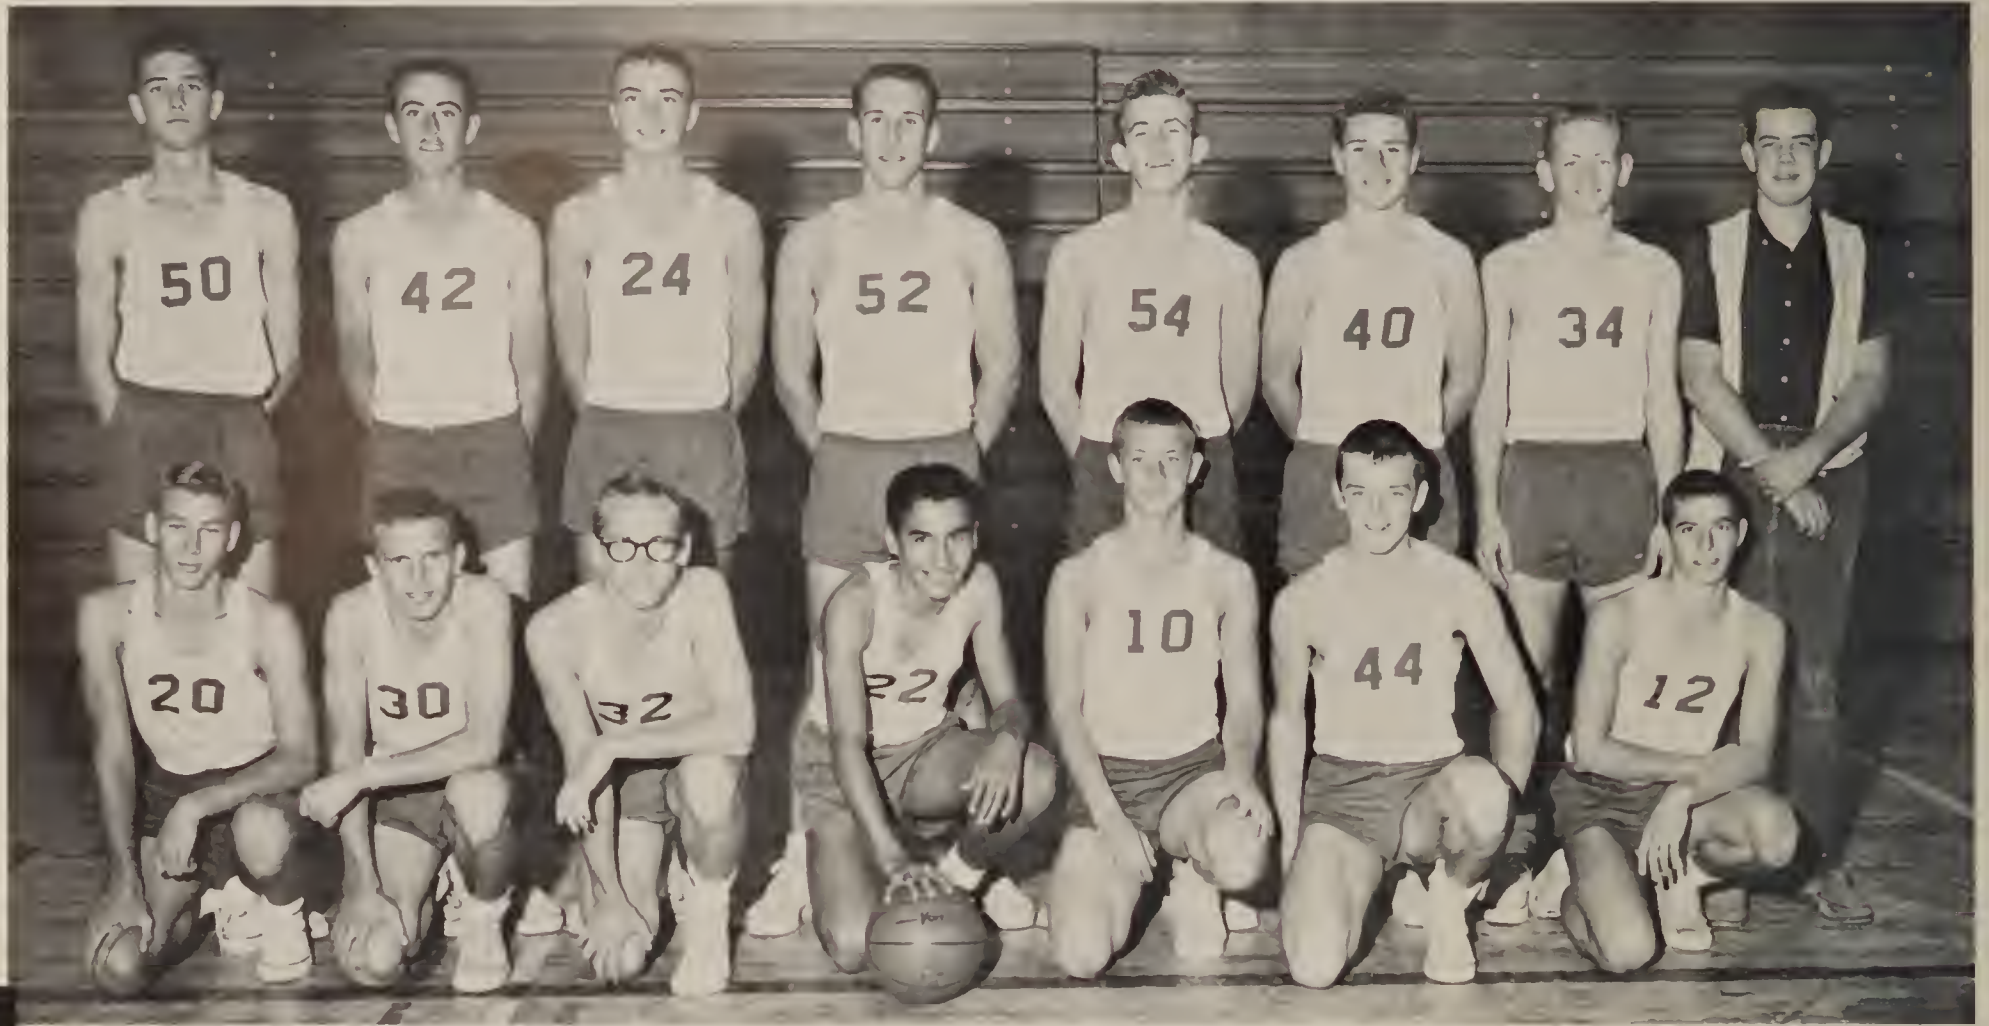

Although well guarded, Denny comes through to make two more points for the J.V.'s.

Andy shows great determination as he drives past a Helix defender.

# SOPHOMORE BASKETBALL

First row, left to right: Larry Arney, Don Schatz, Tim Heck, Bob Ballesteros, Dick Rogers, Merrill Wood, Peter Rombold. Second row: Gary Lommasson, Emil Zumstein, John Wier, Roger Howarth, Roger Buchhorn, Randy Truby, Jim Frederick, Tim Smith, Manager.

MR. ANDERSON  
Coach

The Sophomore Team under the leadership of coach Anderson was a hard team to beat. They proved this by winning first place in their league. The boys put in many hours of practice and worked hard throughout the season to bring Hilltop more honors.

# BASEBALL

As Baseball season approached, so did the printing of the "Idyll." As of the press date the Baseball season was not involved in League competition but looked forward to a very successful season.

With a young team returning, Mr. Long continued to build his forces, as the team was stocked with juniors and sophomores.

This year's experienced crop featured a strong defense and pitching, with hope of batting promises to come.

Leading the mound crew this year were returning lettermen Andy Campbell and Tom Lee,

reinforced by newcomers Jim Leoni and Don Parrish.

At the other positions was a strong defensive infield composed of lettermen Tom Lee at first, Denny Woods at second, Joe Comella at third, and newcomers Jerry Dunn at shortstop, Kyle Gorman at catcher, and Ken Scott at second. Running of the outfield was lettermen Nick Millican in center, sophomore Don Wilkinson in left, and Bob Smull in right along with Joe Stetser, sophomore.

With a team effort Mr. Long feels Hilltop High could look for its first Baseball Championship, in its second building season.

Our campus is indeed a "land" of opportunity for the underclassmen. They are tomorrow's seniors and tomorrow's citizens. Their HORIZON is broad and limitless.

As we look UP and OUT toward a new year we see the students who are now sophomores and juniors as our future student leaders, star athletes and superior academic achievers. It is to you that the seniors leave the responsibilities and it is to you, underclassmen, that the administration looks for leadership.

# JUNIORS

The Class of 1962 has developed leadership qualities and responsibilities in building tradition here at Hilltop.

Mr. Padelford, Junior Class counselor, and Junior Class officers, president, Craig Higgs, vice-president, Cheryl Pike, secretary, Betts Williams, and treasurer, Carol Jaynes, have combined their efforts to bring to light the feeling of unity within the class, which has shown itself to be the true spirit of this first complete graduating class of Hilltop High. This feeling has always been evident in their accomplishments.

## CLASS

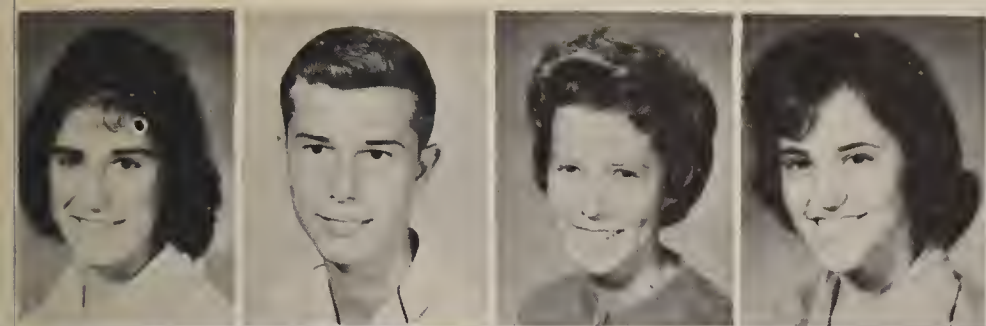

## OF '62

The highlight of the year was the Jr.-Sr. Prom, which was held in the school gym. This annual event is a presentation to the Seniors by the Junior Class.

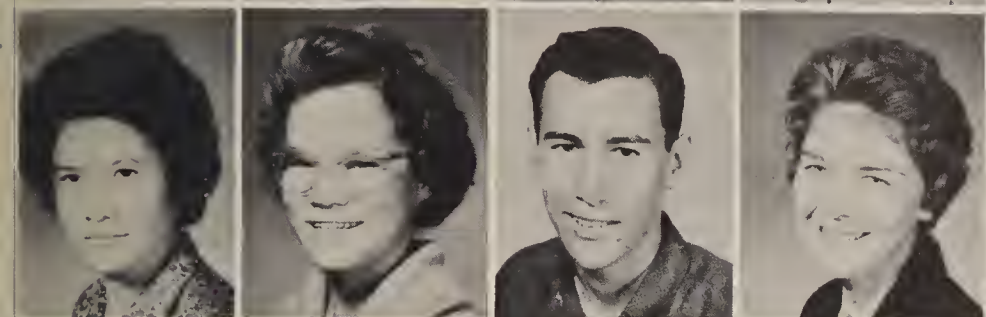

In the two years this class has been at Hilltop, they have grown and developed with each new experience and they are looking forward to their final year with eagerness and confidence. Unfortunately, this year has had its note of tragedy. The death of Dale Martens, a home tutor student who wanted very much to become an active participant in the Junior Class, added a feeling of sadness.

# CLASS OF '63

Following the traditions set by Hilltop's first Sophomore class has been a hard job and has been well-done by the Class of '63. With their four officers, Bob Gray, Judy Tschogl, Beverly Trussel, and Judy Bush, and their able counselor, Mr. George Livermore, the Sophomores have actively participated in all of Hilltop's activities, ranging from CSF to sports.

The Annual Staff would like to express its appreciation to all of our advertisers who contributed so much toward the production of the 1961 Idyll.

# EPILOGUE

The staff always gives forth a maximum effort to complete the annual on time. And yet, it seems like this page is a delinquent one, being written at the eleventh hour.

Perhaps this has some significance in conjunction with the past year. Each one accomplishes many tasks in his high school career. But, we all remember our last minute efforts to complete that term paper or physics project. Finished at last, you rest easier.

And so with the IDYLL. The staff must persevere until the last brownline proof is checked and the signing party organized. It is now, when you students have this 1961 IDYLL in your own possession, that we may relax, with the hope that we have pleased you.

Our HORIZONS have been varied and many throughout these past months. And now, no matter where you turn, we hope that YOUR HORIZON is bright and clear.

Roby-  
you are really  
a great guy. I so  
bad all we ever said  
was "hi". But that's  
enough I guess. I  
hope this year has  
been as nice for you as  
it has for me. Lucky  
that you are so lucky  
Good luck in future  
years. I hope I see you  
sometime. Sincerely  
Kathy  
Dawell
